

Barbara L. Willis | Chief Executive Officer

Barbara L. Willis, MSA is the Chief Executive Officer for Hampton Roads Community Health Center. Mrs. Willis has 35 years prior experience developing health benefit programs, including provider network development, hospital marketing and coalition building. She has worked in both the public and private sector. Under Willis's leadership, Hampton Roads Community Health Center has expanded from a \$4.3 million budget in 2003 to a \$10 million budget to date.

Leading a professional team of over 100 employees, which includes board-certified doctors, nurse practitioners, Licensed Clinical Social Workers, dentists, dental hygienist and various administrative staff, Willis's determination continues to broaden the horizons of HRCHC.

The health center operates five locations; headquartered in the city of Portsmouth with four facilities in the city of Norfolk, serving over 12,000 patients annually. Under Mrs. Willis's leadership, the Hampton Roads Community Health Center received the Small Business of the Year Award for the city of Portsmouth by the Hampton Roads Chamber of Commerce.

Barbara is a graduate from Cleveland State University in Cleveland, Ohio with a Bachelor's of Science Degree. She received her Master of Science Administration Degree from Central Michigan University in Mt. Pleasant, Michigan. She is also a certified Health Information Management Consultant through Tidewater Community College in Virginia Beach, VA.
