**Hampton Roads Community Health Center Welcomes Christopher Zamani, M.D.
Board-Certified Family Physician expands organization’s primary care services**

February 17, 2020 – Barbara Willis, CEO of Hampton Roads Community Health Center (HRCHC), is proud to announce Christopher Zamani, M.D. has joined the organization. An experienced Board-Certified Family Physician, Zamani will serve patients, from newborn to geriatrics, at the Ocean View Medical & Dental Center, located at 9581 Shore Drive in Norfolk. “We are excited to welcome Dr. Zamani to the HRCHC family,” said Barbara Willis. “His passion for global health and international clinic experience presents great value to our organization and the community at-large.”

Dr. Zamani received his Doctor of Medicine from Meharry Medical College, School of Medicine in Nashville, TN and completed his internship and residency at Contra Costa Family Medicine Residency Program at Contra Costa Regional Medical Center in Martinez, California. He is a National Health Service Corps Scholar, received the Best Clinical Skills Award from the Department of Professional Education, at Meharry Medical College, is a member of The World Organization of Family Doctors and is also a Diplomate of the American Board of Family Medicine. “I am focused on providing quality and compassionate care to Hampton Roads’ residents of all ages and backgrounds,” shares Dr. Zamani.

Hampton Roads Community Health Center is a patient-centered medical home, serving five locations; providing high-quality, comprehensive healthcare services including, but not limited to women’s health, men’s health, pediatrics, dental care, labs, discount medications program, insurance enrollment and behavioral health. HRCHC offers free language translation services at each of its five locations, with an on-site Spanish translator available at its Ocean View Medical and Dental Center location. For more information or to schedule an appointment with Dr. Christopher Zamani, please contact 757-393-6363.
